Defendant DC-3 Entertainment moves this Court to compel plaintiffs to produce documents responsive to restated request for production number 5 (regarding damages) and numbers 12 and 13 (regarding phone records).

Having reviewed and considered the moving and opposition papers, and all other matters presented to the Court, I find no need for argument. Good cause appearing, **IT IS HEREBY ORDERED** that defendant's motion to compel is **GRANTED** as follows:

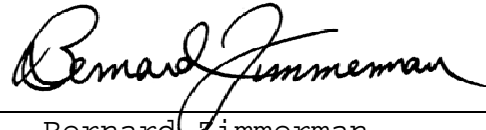

By **May 10, 2006** plaintiffs shall:

(a) Produce documents responsive to request number

1 5 for the time period January 2002 through to the present;
2 plaintiffs will be precluded from introducing at trial any
3 documents in support their damages claims that are not
4 produced to defendants in response to this Order, unless they
5 were earlier produced;

6 (b) Produce documents responsive to request numbers
7 12 and 13 with names and other identifying information
8 redacted, except as to calls made to and from the Kershenbaums
9 and the defendants and calls to and from any other person in
10 which issues relevant to the claims and defenses asserted in
11 this litigation were discussed.
